PINCKNEY ACADEMY RENOVATIONS FOR BUILDING 1

Note: Information in this link is available free of charge. It is not necessary to sign up for an account to view or download files from this link.

SUMMARY OF CURRENT BIDDING INFORMATION

(This document is updated whenever there is a change to the information in the folders.)

See the folder titled "**Drawings**" for the project drawing set.

See the folder titled "**Project Manual**" for the project specifications (includes Bid Form) and bidding requirements. *Note that the Project Manual is replaced with an updated version on April 9, 2024. Be sure to refer to the manual with notation "Revised and Reissued April 9, 2024" under the original issue date. See Addendum 01 for a description of changes in the manual.*

See the folder titled "**Addenda**" for all addenda issued to date for the project.

See the *Addenda Log* on the next page for the current summary of addenda that have been issued to date.

See the *Drawing Revision Log* on the next page for the current summary of modification dates for the drawings.

PreBid Meeting:

See the Bid Advertisement in the Project Manual for meeting date and time.

Bid Date and Time:

Formal Bids in sealed envelope delivered in person or by shipping carrier will be accepted at the offices of Moore County Schools Board of Education located at 5277 US HWY 15-501 Carthage, NC 28327 until the time and date listed below.

2:00 PM	Thursday, April 25, 2024

Include on envelope: CONFIDENTIAL BID ENCLOSED: Pinckney Academy

-----**CONTINUED ON NEXT PAGE!**-----

Addenda Log: Addenda that have been issued are listed below. See the Addenda Folder for all addenda documents that have been issued.

Addendum #	Issue Date
01	04/09/24
02	04/12/24

Drawing Revision Log: Drawings with revisions since the initial issue are listed below. Only drawings with revisions since initial issue date are listed in this log. When a drawing is revised, the entire drawing set file will be replaced with a file revision date suffix of the latest revision in the set added to the file name. The drawings with revisions will be listed below to direct attention to the revised drawings. Drawings not appearing on this list have not been changed since original issue. See the **Drawings** folder to view these current drawings in the drawing set.
